

Paul Physics

(561) 999-3232

paulphysics@fau.edu

Delray Beach, FL

EDUCATION

Florida Atlantic University
Bachelor of Science in Physics

Boca Raton, FL
December 20XX

RELEVANT COURSEWORK

General Physics I&II + Labs, Electromagnetism I&II, and Quantum Mechanics I&II

WORK EXPERIENCE

South Florida Science Center and Aquarium
Camp Counselor

West Palm Beach, FL
May 20XX – Present

Supervise a group of fifteen students, age ranges 8 to 15 years old

Plan schedules of all of the activities to make sure that the students are having a great experience as they learn

Demonstrate and guide students through different science experiments to teach about gravity, electricity, and astronomy

Palm Beach State College
Physics Tutor

Lake Worth, FL
September 20XX- June 20XX

Scheduled appointments and assisted with transferring phone calls

Evaluated what students might have been struggling with for an upcoming exam or homework assignments

Looked for ways to make difficult concepts simple for the students to understand, such as: linear and rotational motion, optics, and conservation of energy

PROFESSIONAL AFFILIATIONS AND CONFERENCES

Florida Academy of Sciences (FSA)
Society of Physics Students at FAU

March 20XX- Present
