

Britney Biology

Jupiter, FL | britneybiology@fau.edu | (xxx) xxxxxx

EDUCATION

Harriet L. Wilkes Honors College, Florida Atlantic University
Bachelor of Science, Biology
GPA: 3.5

Jupiter, FL
Expected May 20XX

RELEVANT COURSEWORK

Biological Principles, Biodiversity, Genetics, Human Anatomy and Physiology, Organic Chemistry, Biology of Cancer, Human Morphology and Function, Cell Biology, Immunology

EXPERIENCE

Undergraduate Research Assistant

August 20XX

Florida Atlantic University Department for Biology, Dr. Owls Lab

Jupiter, FL

- ” Separated DNA fragments with pulsed gel electrophoresis
- ” Prepared written report summarizing data analysis and conclusions
- ” Explored DNA modifications in E. Coli and Salmonella 12/20xx
- ” Applied Lowry assays and used spectrophotometry, digital photography, and AMBIS density qualification software
- ” Advanced our understanding of the activation of the DNA repair system in E. Coli by showing that both subunits of the topoisomerase enzyme possess a DNA binding specificity

Volunteer

August 20XX - November 20XX

Hospital - Adult Medical Unit

Jupiter, FL
