

Dr. Karen L. Vislocky

PROFESSIONAL PROFILE

Passionate public-school administrator who works to have all students achieve at high levels by supporting classroom learning environments that encourage students to work together, think critically, and problem solve as they become college and career ready. This is achieved by building a culture of collaboration, shared knowledge, feedback, and coaching as we continuously learn, reflect, and know that we are better together. There is no end to excellence. This has resulted in increasing a school's grade
