II. Curriculum Items

MHS 7980 (Peluso, Counselor Education):

Action Taken

STUDENTS WITH DISABILITIES: In Compliance with The Americans with Disabilities Act (A.D.A.), students who require special accommodations due to a disability to properly execute coursework must register with the Office for Students with Disabilities (OSD) located in Boca – SU 133 (561-297-3880), in Davie – MOD I (954-236-1222), or in Jupiter – SR 117 (561-799-8585) and follow all OSD procedures. The purpose of this office “is to provide reasonable accommodations to students with disabilities.” Students who require assistance should notify the professor immediately by **submitting a letter from the Disabilities Office to your instructor** requesting your need of specific assistance. Without such letter, the instructor is not obligated to make any accommodations for students.

HONOR CODE: Students at Florida Atlantic University are expected to maintain the highest ethical standards. Academic dishonesty, including cheating and plagiarism, is considered a serious breach of these ethical standards, because it interferes with the University mission to provide a high quality education in which no student enjoys an unfair advantage over any other. Academic dishonesty is also destructive of the University community, which is grounded in a system of mutual trust and places high value on personal integrity and individual responsibility. Harsh penalties are associated with academic dishonesty. For more information, see http://www.fau.edu/regulations/chapter4/4.001_Honor_Code.pdf.

GPC recommended: instructors may be more restrictive about these policies but they must meet the minimum expectations outlined by the university.

III. Graduate Faculty Status

Approved Status for:

1. Peggy Goldstein (Level B)
2. Alyssa Gonzalez De Haas (Level B; pending CITI certificate).
3. Joe O’Kroy (Level B)

Receipt of CITI evidence from Mary Lieberman & Marta Cruz-Janzen.

Patty Heydet Kirsch’s (Level B): No action taken because the application is incomplete. Burnaford will notify her Chair. (Teaching and Learning).

V. Other Business

GPC discussed whether it is necessary to change from a 7 to a 10 year rule on courses. Concerns raised on whether students, particularly doctoral students, will be able to complete courses within 7 years if there is no summer school and whether to stop the clock (for the student) or follow the university's policy which allows students to petition for one year extension at a time. GPC deliberated on the pros and cons of the current university policy on course extension but did
