Program  
Change

The Program change to Ph.D in Public Administration for the elimination of qualifying exams and addition of Epistemology and Methodology comprehensive exam, was unamiously approved by the committee.

The two program changes in MS in Environemtal Science: one for changing the number of credit hours for elective courses while keeping total hour requirements, and clarifying catalog wording, and the other for removing from the list two core courses and adding one existing course, were unaminiously approved by the committee.
