Office Hours:

Scheduled by Appointment

### OVERVIEW OF THE 4<sup>TH</sup> YEAR OF MD PROGRAM

In the 4<sup>th</sup> year of the MD program, students complete rotations (2 or 4 weeks in length) that prepare them for internships and residencies. The 4<sup>th</sup> year of the MD program requires a minimum of 28 weeks of required rotations and a 2 week capstone (Transition to Residency) course. The 28 weeks of required rotations must include the following: 4 weeks of an Acting Internship, 12 weeks of Selective Rotations (a total of three 4 week rotations), and 12 weeks of Elective Rotations (2 or 4 weeks in length). Students may take additional rotations beyond the 28 weeks if they choose to do so and have time quileble in their required.
