Subject: Request for no conflict

Dear fellow chairs:

I am asking for the customary “no conflict” statement for CCEI’s request for two course numbers for Special topics at the graduate and doctoral level in our department.

There are not enough numbers but a request for numbers we can offer special topic courses should

we choose to do so.

Thanks,

Dilys

Your department's request for a generic special topics course at the master's level and the doctoral-

level does not overlap or conflict with the courses or curriculum in the ESE Department. Good luck.
