2006-2008	Dawn Freshwater
2008-2010	Donna Taliaferro

General note on collection processing and contents: IAHC materials were transferred to Christine E. Lynn College of Nursing over a period of years, probably beginning in 2003 or 2004, with the most recent accretion in 2006. During this time period the Archives were not in existence, and no direct responsibility was assigned to processing or maintaining the IAHC materials. As a result, the order of the materials was not well preserved. Items were sorted (when necessary) by subject or date to provide some measure of order. In addition, materials from the Kathleen Valentine Papers collection that directly pertained only to IAHC were integrated into the IAHC Archives folders by subject.
