

Florida Atlantic University

Regulation 5.001 Employee Compensation Plans

(1) The University shall administer a compensation plan which will consist of the following:

(a) Executive Service positions are responsible for policy-making at the executive level as defined in Regulation 5.013.

(b) Faculty positions are assigned the primary responsibility of teaching, research, or public service activities or for administrative responsibility for functions directly related to the academic mission.

(c) Admi
