

Summer2025 Elective Options

Some majors do not require electives. Be sure to check with your Academic Advisor! Courses of the 1000 and 2000 level are typically recommended as electives for freshmen and sophomores. These are considered lower-level electives. The courses listed below are in addition to those listed on your IFP. Additional courses taken from each section of the IFP can be used toward your five credits.

Please be sure to note the campus when selecting courses
